## Election/Restrictions

Applicant's election without traverse of Group I, Claims 1-4 and 17-19 in the reply filed on 6-1-2007 is acknowledged.

## Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1 and 2 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Akazawa et al.(U.S.Pat.5,237,140).

## Allowable Subject Matter

Claims 17-19 are allowed.

Claims 3-14 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Smith, Fukui, Tsuda, Takeuji and Yakeuji'362 are cited to show structure similar to the claimed invention.
